

**Celebrating
Children and Families**

**For 50 Years Martinez
Cooperative Preschool
has been building and
fostering family
relationships and lifelong
friendships through
cooperative educational
programs. We invite
individuals, businesses,
and organizations to join
us in creating a
Commemorative Wall in
honor of children and
families.**

**Building Healthy Children
One Brick at a Time....**

Join us as we celebrate 50 years of serving children and families in the community. Individuals, alumni, businesses and organizations are invited to celebrate healthy children by taking part in developing a commemorative wall. We invite you to purchase a professionally engraved personalized brick to represent your family, business or organization. The bricks will be displayed on a commemorative wall serving as a reminder to our community that you value and support healthy children in and around Martinez.

Funds from brick sales will be used to purchase a play structure at our newest site, The Growing Garden, and to expand a sand box and shade structure at The Secret Garden. Any additional funds received will be used for preschool enrichment.

We thank you in advance for considering purchasing a brick that will assist us in building healthy children and families in our community. "All learning - emotional, social, motor and cognitive development is accelerated, facilitated and fueled by the pleasure of play." Durr Evaluations Resources.
